

BRIDAL TRIAL CHECKLIST

Makeup

Face is free of any residual makeup and skincare products.

Brows and any other facial hair are freshly groomed prior to glam session.

Face is Exfoliated, Cleansed and Hydrated.

Communicate with your Artist if you are allergic to any ingredients or products.

Have Inspiration photos ready to show your artist of the look(s) you want to achieve.

If you plan to get a Spray tan prior to your event, DO NOT spray the Face. Have the Airbrush Artist only spray jawline down.

Lips are exfoliated and hydrated.

NO new Skincare Routine or procedures (Dermaplaning, Microneedling, etc) directly before an event without knowing how your skin will react.

If you have eyelash extensions please wash and dry them thoroughly the morning of your trial. If you plan to get a lash lift, we recommend doing it after your trial/wedding.

Hair

Hair is Clean, 100% Dry and smoothed out /ready for professional styling.

Do Not sleep with wet hair the night before as this will cause Frizz and Static.

Please discontinue Hair Mask, Oils or Hair Treatments 3-4 days prior to your event to prevent any product build up on the hair.

No Flat Iron use the week leading up to your trial.

Be open to the recommendation of Hair extensions by your stylist. Many styles require Hair extensions not only for fullness & length, but to ensure the style holds all day long! If bringing your own hair extensions to your trial, please be sure to remove them from the packaging and wash, lightly condition, and blowout the hair smooth/100% dry so they are also prepped. Failure to wash extensions before your trial will result in your stylist potentially not using them on your trial day as the hair will not portray the true result you will get on wedding day.

If choosing to add Hair extensions, we recommend Bellami, Foxy Locks or Luxy Hair.

You can also get Color matched at Popcorn Beauty.
(Locations in Massapequa & Central Islip)

PLEASE WEAR WHITE TO YOUR TRIAL

(If you have something with a similar neckline to your dress this is helpful, if not a plain white top is preferred.)

Have Inspiration photos ready to show your stylist.

Your trial is booked to preview your wedding day look. If you are requesting to see more than one look at your trial, this would need to be communicated ahead of time for scheduling purposes.

Thank you!
